## **FROM THE PRINCIPAL DESK**

**MS. RUBY CHANDEL  
PRINCIPAL**

**Dear Parents**

**Namaskar**

I am indeed grateful to the management of JPIS to have entrusted me to lead a motivated and dedicated team of teachers, administrative staff & enthusiastic students.

The year 2020 has brought with itself new challenges for the world. With challenges come new opportunities. The education fraternity took this crisis as an opportunity to upskill themselves and very adaptively adopted the technological skills. Despite the fact the school building was closed, we didn't let the learning process close. All activities scheduled for the year were conducted with the same conviction as they were planned with, only their format was changed for the better. I look forward to team-up with you as partners to help students at JPIS meet their goals. I invite you all to take virtual peep into the latest edition of JPIS newsletter –JP TIMES and please do share your feedback to make our next edition better.

**Have safe, happy and peaceful times ahead**
