Dear Parents,

Namaskar !

To assess the conceptual understanding of the students in Mathematics at an early stage, we are pleased to inform you about the Aryabhata Maths Olympiad. This Olympiad builds a strong foundation for various real-world competitive examinations. It also helps in improving reasoning, analytical and problem-solving skills which can be leveraged by the students to stand out in the future competitions.

Kindly note the following details-

The exam will be conducted in two stages-

- Level1- on 20th and 21st April 2024.
- Level 2 in July 2024.
- Eligible students- Grade I to Grade IX
- Mode of exam- Online (Level1)
- **Registration fee- Rs. 350/-**
- **Last date of registration- 28th March**

Interested students can submit the registration fees to their class teacher. We look forward to your enthusiastic participation in the Aryabhata Maths Olympiad!

Thank you for your understanding and support.

Jai Hind

Warm regards,
