Dear Parents,

Namaskar!

We are delighted to invite you to the **Introductory PTM** for the grades **Nursery to XII** scheduled for **19th April 2025, from 10:00 a.m. to 1:00 p.m.** at the school premises.

This PTM has been specially organized to provide you with an opportunity to interact with your child's class and subject teachers, and engage in meaningful conversations about their strengths, learning styles, and areas for growth. Together, let us lay a strong foundation for your child's holistic development through a healthy and collaborative school-home partnership.

This PTM is not just about academic discussions—it also marks a **historic milestone for our school community**. We are proud to announce the **official launch of IRIS**, our AI-powered teaching assistant. With this, we become the **first school in the entire NCR region** to integrate Artificial Intelligence into our classrooms.

IRIS has been thoughtfully designed to support and enhance your child's learning journey by offering personalized assistance, real-time engagement, and cutting-edge educational tools that make learning more dynamic and interactive.

We request all students to attend the PTM in **school uniform**.

Join us as we unveil the future of education—**where innovation meets excellence**.
