

JP International School, Greater Noida
Session 2025-26

Date: 14/07/25

Circular No. JPIS/25/51

Dear Parents,

Namaskar!

We are pleased to inform you that the upcoming **Periodic Assessment 2 (PA2)** for **Grades III to VIII** will be conducted through a **Project-Based Learning (PBL)** approach. This innovative method is aimed at enhancing conceptual understanding, creativity, collaboration, and real-world application of knowledge.

In this pattern, students will be assessed through activities, presentations, models, research-based tasks, and individual projects designed to align with their curriculum.

The assessment will begin from 24th July 2025. Detailed schedule, project guidelines, assessment rubrics, and teacher instructions will be shared with students in class, broadcast group and on the school ERP.

We seek your support in encouraging your child to engage wholeheartedly in this hands-on, experiential mode of learning.

Let us work together to make this learning journey enriching and joyful for our students!

Jai Hind!

Ms. Ruby Chandel (Principal)
