AN APPROACH THAT STEERS HOLISTIC DEVELOPMENT.

1

VISION

“When I was a child I had the freedom to make my own toys out of trifles and create my own games from imagination.” – Rabindranath Tagore

To provide ‘learning without burden’ through our child centric approach facilitating Sparshites to progress from known to unknown’, ‘concrete to abstract’ and from ‘local to global’ in a multi-cultural society.

2

MISSION

We at Sparsh International School strongly believe that every child is unique and the emphasis is on cultivating each and every child’s creativity and respect their native wisdom and imagination. Ultimate aim of school education is to enable the students to connect to the world through active engagement and to promote best learning and development in all spheres of life.

3

ETHOS

To inculcate strong ethical values in our students by making them strong in character to face the challenges of the modern life with uprightness and service before self in the quest for excellence.

MESSAGE FROM THE CHAIRPERSON

At Sparsh Universe, our vision is clear — to make a meaningful difference in education, whether it is K–12 learning or higher education. We believe that true education goes beyond classrooms and textbooks; it is about inspiring young minds, shaping values, and preparing students to thrive in an ever-changing world.

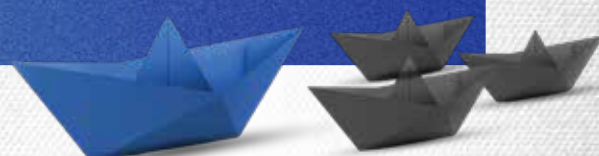

Our group is built on the pillars of excellence, inclusivity, and innovation. From nurturing curiosity in early years to empowering young adults in higher education, Sparsh Universe is committed to providing an ecosystem where learners can grow into confident, compassionate, and capable individuals.

We aspire to create institutions that are globally benchmarked yet deeply rooted in Indian ethos — places where every child feels valued, every teacher is empowered to innovate, and every parent finds pride in their child's journey.

Sparsh Universe is not just a group of institutions; it is a movement of transformation in education — one that strives to touch lives, ignite aspirations, and build leaders who will shape tomorrow.

Together, we are shaping a future where education truly makes a difference.

Dr. Shishir Agarwal
Chairperson
Sparsh Universe

MESSAGE FROM THE CEO

Opening Minds for New Possibilities

At Sparsh Universe, we believe education is not just about imparting knowledge, but about nurturing minds, shaping character, and creating leaders who will make a difference in the world.

With some of the top-ranked and highly rated K–12 schools and higher education institutions under our umbrella, Sparsh Universe stands as a symbol of trust, excellence, and innovation in learning. Our mission is to provide an ecosystem where students discover their potential, embrace values, and prepare for a future driven by knowledge, creativity, and compassion.

We are committed to building a learning community that is inclusive, progressive, and globally relevant — where every learner is inspired to dream, every teacher is empowered to innovate, and every parent feels assured that their child is in the right hands.

Sparsh Universe is not just a group of institutions; it is a movement towards holistic education that blends tradition with modernity, academics with values, and knowledge with wisdom. Together, we are creating a future where our learners will not only excel in their careers but also lead with integrity, empathy, and vision.

With gratitude for the trust placed in us, and with a promise to keep raising the benchmark of excellence – I welcome you to the world of Sparsh Universe.

Dr. Amit Saxena
Chief Executive Officer,
Sparsh Universe

MESSAGE FROM THE PRINCIPAL

Raising Learners for a New World

Dear Parent
Namaskar

Welcome to Sparsh International School, where every child's journey of learning and discovery is nurtured with care and commitment.

At Sparsh, we believe education is the foundation for a bright future, and our mission is to create an inspiring environment that fosters curiosity, creativity, and character. Our dedicated faculty strive to bring out the best in every student by combining strong academics with holistic development — nurturing not just minds, but also hearts.

We aim to cultivate confident, compassionate, and responsible global citizens who are ready to face the challenges of tomorrow with integrity and resilience. Here, learning goes beyond textbooks — it is about exploring new ideas, embracing diversity, and developing lifelong values.

I invite you to be a part of our vibrant school community, where we work together to unlock each child's unique potential and build a foundation for success and happiness.

Warm regards

Mrs. Jyoti Rana
Principal
Sparsh International School

EVOLVE *Beyond* THE ORDINARY

ABOUT SPARSH INTERNATIONAL SCHOOL, GREATER NOIDA

Sparsh International School, affiliated with CBSE, is a leading, co-educational School, located at Sector Omega 1, Greater Noida, has been offering affordable and a great education since 2004. Over the years it has become a thriving place, with lots of intellectual stimulation, wherein ideas and beliefs are being shared and exchanged in a happy environment. The School gives an opportunity to follow passion, it supports creativity, encourages self-expression and truly nurtures 21st century skills in every child to make them future ready.

SPARSH 3C MODEL

THE 3 PILLARS OF A STRONG FOUNDATION

CHARACTER

COMPETENCIES

CAREERISM

GLOBALLY BENCHMARKED 3C MODEL

CHARACTER

Inculcating integrity, empathy and cognitive skills for socio-emotional development.

COMPETENCIES

Imparting employability skillsets along with critical thinking and creative growth.

CAREERISM

Personalised guidance for best suited careers with assessment tools and special sessions.

The 3C Model of schooling at Sparsh presents a life-changing educational experience. It's a self-developed research based model which aims at inculcating qualities for the betterment of a student's social behaviour.

The progression of the 3C Model also enables the students to identify their goals and interests, in order to prepare for them at the school level itself.

SYNCHRO Program

Schooling & Competitive Excellence—Together.

The **SYNCHRO™ Program** seamlessly integrates CBSE education with preparation for **JEE, NEET, CUET, CLAT & Olympiads**. Students build strong conceptual foundations through structured learning, expert mentoring, and regular assessments—all within the school timetable.

Designed to reduce dependence on external coaching, the program ensures students excel in both board examinations and competitive entrance tests while maintaining a balanced school life.

PROGRAM HIGHLIGHTS:

- Integrated preparation with regular schooling
- Concept-based learning instead of rote memorization
- Advanced worksheets and assessment modules
- Personalised mentoring by expert faculty
- Continuous performance tracking
- Time-efficient learning model
- Reduced dependency on external coaching

Entrepreneurship Program

Building Future Innovators from Grade 1

Entrepreneurship at Sparsh is more than starting a business—it's about developing an innovative mindset. From Grade 1 onwards, students learn creativity, design thinking, financial literacy, leadership, and problem-solving through engaging, real-world experiences.

By encouraging students to identify challenges, create solutions, and present ideas confidently, the program nurtures independent thinkers ready to thrive in any profession.

PROGRAM STRUCTURE:

- Introduction to Entrepreneurship
- Financial Literacy, Idea Validation, Teamwork
- Advanced Business Modelling, Leadership, Pitching

PROGRAM HIGHLIGHTS:

- Design Thinking & Innovation Projects
- Financial Literacy
- Leadership Development
- Business Simulations
- Startup & Idea Pitching Activities

STEM Program

(Science, Technology, Engineering & Mathematics)

Integration of STEM Education

Specialized Workshops

Hands-on STEM labs, coding clubs, AI and IoT bootcamps for students and capacity-building sessions for teachers.

Curriculum Support

Integration of STEM modules aligned with core subjects, problem-based learning activities, and project-based assessments.

Experiential Learning Modules

Real-world problem-solving projects, maker space activities, robotics challenges, and STEM fairs.

Learning Outcomes

- ♦ Enhanced Critical Thinking
- ♦ Improved Problem Solving Skills
- ♦ Exposure to Emerging Technologies (AI, IoT, Robotics)

Atal Tinkering Lab

Where Ideas Come to Life

The Atal Tinkering Lab (ATL) at Sparsh International School, established under Atal Innovation Mission, NITI Aayog, is a vibrant innovation hub where students explore, experiment, and create. Through robotics, AI, coding, electronics, and design thinking, learners transform ideas into real-world solutions while developing creativity, critical thinking, and future-ready STEM skills.

SPORTS

Sports inculcate a feeling of camaraderie, team spirit, sportsmanship, and a sense of responsibility and accountability. Students are encouraged to choose and participate in at least one sport, fostering discipline, perseverance, and a healthy competitive spirit. Regular training, inter-house competitions, and expert guidance help students enhance their physical fitness, mental resilience, leadership abilities, and decision-making skills. Through sports, students learn the importance of teamwork, respect, and striving for excellence both on and off the field.

The school has the following sports provisions:

FOOTBALL TURF

CHESS

SWIMMING POOL

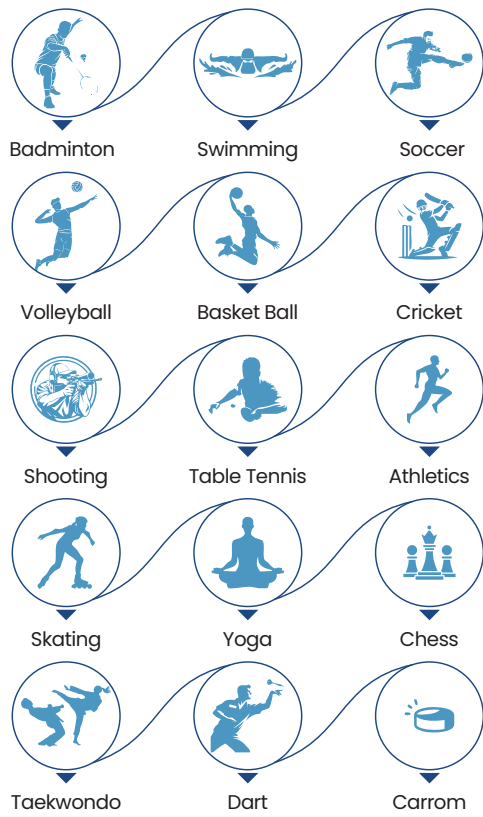

TAEKWONDO

SHOOTING RANGE

SAFETY MEASURES

We follow all the safety measures proposed by CBSE not only to keep a tight vigil with the help of trained security staff and CCTV cameras but also to keep reviewing the security arrangements regularly and conducting drills to reinforce the measures. Some of the security features of Sparsh International School:

CCTV cameras to cover the whole school premises and 24*7 security cover

Dedicated SURVEILLANCE ROOM to keep a close eye on all the movement inside/ outside the school campus

The school campus is properly fenced and gated

Adequate number of trained security personnel

No unauthorized person/ visitor is allowed inside the campus without clearance

Entry through RFID cards

Mock drills to train the students and staff members

Each washroom is closely supervised by attendants

Separate washrooms for support staff

Designated space for drivers and helpers

School buses equipped with GPS, speed governors, cameras and first aid kit

Daily bus attendance through ERP

Police verification of the group D staff

Fire sprinklers and fire extinguishers as per norms

Where the mind is without fear
and the head is held high;
where knowledge is free;
Where the world has not been broken up
into fragments by narrow domestic walls;
Where words come out from the depth of truth;
Where tireless striving stretches its arms
towards perfection;
Where the clear stream of reason
has not lost its way
let my country awake.
into the dreary desert sand of dead habit;
Where the mind is led forward by thee
into ever-widening thought and action-
Into that heaven of freedom, my Father,

- Rabindranath Tagore
